Hospitals Community Health Centers Public Health Units Doctors' Offices Social Services Offices Other: _____

The information contained in this document is a Departmental:

Policy Standard Protocol Procedure Guidelines

Title: Emergency Equipment Standards for NWT Health Centres

Effective Date: April 21, 2005

Statement of approved clinical practice:

The attached Emergency Equipment Standards for NWT Health Centres recommended by the NWT Pharmacy & Therapeutics Committee, is approved by the Joint Senior Management Committee (JSMC) as a minimal NWT standard.

The attached list of emergency equipment for NWT Health Centres is established to provide consistency across the territory. The list is not meant to be exhaustive but rather is considered the minimum standard of the type and category of emergency equipment that should be available within each health centre.
