- Hospitals
- Community Health Centers
- Public Health Units
- Doctors' Offices
- Social Services Offices
- Other: \_\_\_\_\_

The information contained in this document is a Departmental:

- Policy
- Standard
- Protocol
- Procedure
- Guidelines

**Title:** NWT HIV/AIDS Manual for Health Care Professionals

**Effective Date:** April 1, 2006

**Statement of approved clinical practice:** The new HIV/AIDS Manual for Health Care Professionals will replace the August, 1999 HIV Infection and AIDS: Information for Health Professionals Manual.

The new HIV/AIDS Manual for Health Care Professionals, March 2006 contains the approved clinical practice standard for the NWT, and supersedes all previous clinical practice standards and guidelines.

In addition to the subject areas in the previous manual, this manual contains new sections on self-disclosure, treatment for HIV infection and AIDS diseases, information fact sheets for clients & information resources for health care providers.

**Attachments:** NWT HIV/AIDS Manual for Health Care Professionals, March 2006.

This clinical practice is approved.
