[X] Hospitals [X] Community Health Centers [X] Public Health Units [X] Doctors' Offices [X] Social Services Offices [ ] Other: _____

The information contained in this document is a Departmental:

[ ] Policy [ ] Standard [X] Protocol [ ] Procedure [ ] Guidelines

Title: NWT Communicable Disease Manual

Effective Date: August 2007

Statement of approved clinical practice:

The enclosed NWT Communicable Disease Manual has been approved by the Chief Medical Health Officer for the Northwest Territories as the standard for use by health care providers. It has been completely revised from the previous version, which should be discarded.

Please note that this manual is also available in the publication section of The Department of Health and Social Services website: http://www.hlthss.gov.nt.ca/

Any questions about the content of the manual should be referred to the attention of the Chief Medical Health Officer or one of the Communicable Disease Control Specialists in the Office.

This clinical practice is approved.
